SAFETY INFRACTIONS

Any safety infractions noted to occur during the tacticals and battles are to be reported directly to the Battalion Chief of Staff/Assistant Adjutant General as soon as practical following the battles.

SPECIAL ORDERS, }
#11

MEDICAL

Each Company Commander MUST identify qualified medical personnel and provide a list of these individuals to Battalion Chief of Staff/Assistant Adjutant General with morning reports.

Each Company Commander MUST identify any individuals in their command with pre-existing medical conditions that are relevant for the Command Staff to be aware of.

The list is to include the person's name and specific company to which they belong (both within the battalion and the company designation they use throughout the year).

All reports of actual injuries during the tacticals and battles are to be identified by use of the term "Medic." Finally, all occurrences of actual injuries are to be reported to the Battalion Chief of Staff as soon as practical after the tactical and battles.
